To whom it may concern:

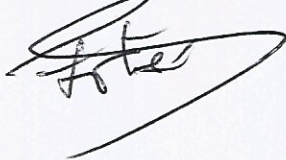

I am writing to affirm my full financial support for Daniel Josue Mulenda during his visit to Canada. As the father of Daniel Josue Mulenda and an esteemed Professor at the University of Kinshasa, as well as the Senior Vice President of Orion Group, I am committed to ensuring that he has the necessary financial resources for all expenses incurred during his stay.

Daniel Josue Mulenda is my third son in a family of four. He has been living with me and his mother since birth, and I have been actively involved in his upbringing. After completing his high school education, I made the decision to send him to college in the United States, specifically in Georgia, where I have been providing both financial and emotional support throughout his studies.

I am delighted to volunteer as his sponsor for his second visit to Canada, following a challenging semester in college. Should you have any inquiries regarding Daniel Josue Mulenda or my capacity to support him during this trip, please do not hesitate to contact me. You can reach me by phone at +243999148866 or via email at mulendadaniel@yahoo.fr.

Sincerely,

Dr. Daniel Lomena Emamba Mulenda
